

## Athlete Code of Conduct

### Athletes

1. I will participate in volleyball alcohol and drug free.
2. I will respect everyone involved in my volleyball experience: parents, coaches, teammates, officials, and opponents; because without them, there wouldn't be a game.
3. I will never use violence or bad language, nor will I harass players, coaches, officials, or other spectators. I will express my disapproval in an appropriate manner to the proper officials and Volleyball Alberta contacts.
4. I will remember that coaches and officials are there to help me. I will accept their decisions and appreciate the challenges of their position.
5. I will remember that winning isn't everything, and to control my temper when things aren't going my way. Having fun, improving skills, helping my teammates become better players, and doing my best are more important than winning games.
6. I will respect the facilities that I use with my team: gymnasiums, schools, restaurants, hotels, and washrooms. I will remember to put all my garbage in the trash bins and not use volleyballs in school hallways and hotel rooms.
7. I will remember to be a team player, because volleyball is a true team sport.

### Parents/Guardians

1. I will attend VA events alcohol and drug free.
2. I will remember that children play volleyball for their enjoyment, not mine.
3. I will never question an officials/coaches' decision in public.
4. I will never use violence or bad language, nor will I harass players, coaches, officials, or other spectators. I will express my disapproval in an appropriate manner to the proper officials, club and Volleyball Alberta contacts.
5. I will remember that children learn best by example, and will demonstrate good sportsmanship and applaud all good plays by both my child's team and their opponents.
6. I will take an interest in my child's team by taking turns supervising and assisting at tournaments and team functions.
7. I will have a positive attitude towards volleyball and will emphasize the cooperative nature of the sport.
