Subject: Volleyball Canada Updates and a few Volleyball Alberta reminders before the holidays

Greetings Club Presidents,

We have two Volleyball Canada updates to share with our Club Presidents before the holidays and a few Volleyball Alberta reminders.

1 - Letter of Good Standing Requests

Please read the attached letter sent from Volleyball Canada re: Letters of Good Standing for Non-Sanctioned Events in North America.

This information can be found on our website: [INDOOR > CLUB > General Info page](#) ... scroll down, this is posted towards the bottom of the page.

2 - 2020 Volleyball Canada Nationals

Registration fills fast, we recommend that you register on the date & time your event opens. Unlike our VA Premiers & Provincials, National Event Registrations have a maximum number of teams they allow into each event. If you plan to register for Nationals, make sure you know when your event registration opens.... They open in January!

This information can be found on the Volleyball Canada website: <https://volleyball.ca/en/competitions/2020-volleyball-canada-nationals> ... [Event Information]...

VA Early Bird Registration Draw:

Reminder to register before January 5th to be entered into our Early Bird Registration Draw. [2020 Premier and Provincial Tournament Registrations - How to](#)

Volleyball Alberta – Goalline

We are currently working with the Goalline development team to resolve an error that some have encountered when completing your VA Premier #1 tournament registrations. If you registered and paid for a Premier or Provincial Championship, you have the PayPal payment receipt; however, it isn't showing up in your VRS-Goalline account [registration info tab] --- we apologize! Goalline is working on getting your registrations linked to your coach and player accounts. We can see your registrations & payments and the Goalline development team are working on linking these so that you can see them in your accounts. **Please do not duplicate membership registration payments on Premier #2, #3 or Provincials. Already paid membership fees should always discount.** If you are prompted to pay fees you know or think you shouldn't, please don't pay; hold off and contact me ... follow up until you reach me; sorry if I've been unreachable to some this week! I am happy to review your registrations and answer your questions to make sure you're paying the correct fees. This is a task that can take time and so I appreciate your patience and understanding when it comes to these unfortunate necessary reviews. For most, everything should be going smoothly with your registrations! We don't mean to alarm everyone. You should be able to view/edit your rosters within your account --- Important: You must enter yourself as the [Team Main Contact] or in one of the Coach positions to link your account to view/edit with your [VRS-Goalline](#) email and access code. **How to Edit a roster:** [Edit Roster Guide](#).

Make sure you are subscribed to the Volleyball Alberta Newsletter to receive program information, updates and important notifications.

Merry Christmas!

Happy Holidays!

Wishing you all the best with your teams, and registrations, and we look forward to hosting you in 2020!

Cheers,

Out of office notification: The Volleyball Alberta offices will be closing for Christmas break Fr. Dec. 20th at noon and we will reopen Mon. Jan. 6th, 2020. For general information, please visit our website www.volleyballalberta.ca

Link to the [Volleyball Alberta VRS-Goalline](#) to register and sign in to your account.
