***17U, 18U** The MVA200 will eventually be discontinued and replaced by Mikasa's newly developed V200W. The balls have identical inner core and exterior cover construction, the only difference is the V200W's new 18 panel design. Both versions of the ball will feel and play the same, Volleyball Alberta does not recommend purchasing the new series unless damaged or lost balls need to be replaced.

Volleyball Canada The official supplier for the Nationals game ball is Mikasa. The 2020 competition balls for 14U and 15U is the VQ200w-CAN, which is the new version of the VQ2000. The balls have identical inner core and exterior cover construction, the only difference is the VQ200w's new 18 panel design. Both versions of the ball will feel and play the same, Volleyball Alberta does not recommend purchasing the new series unless damaged or lost balls need to be replaced. A full review of the balls is being finalized and a different Mikasa series may be used for 2021. See the 2021 Volleyball Canada Indoor Nationals Competition Guide for details: <https://volleyball.ca/en/competitions/2021-volleyball-canada-nationals>

Sportfactor Volleyball Alberta members will receive a 10% discount off all regular price volleyball equipment and trainer supplies at www.sportfactor.net or shop in store #10, 3250 51 Avenue NW, Edmonton, Alberta. Code: VA2021

Volleyball Alberta and Mikasa Canada are proud to extend their partnership, making Mikasa the exclusive volleyball & beach volleyball supplier for Volleyball Alberta. The agreement extends effective immediately and runs through to 2024.
