**Inductee: Red Deer College Kings (1999 – 2007)**

The Red Deer College Kings Volleyball team dominated the Canadian collegiate volleyball scene between 1999 and 2007, winning a record setting 8 straight Canadian Colleges Athletic Conference (CCAA) National Championships. This astonishing streak entailed: an overall Alberta Colleges Athletic Conference (ACAC) record of 156-14 (including 2 undefeated seasons and 8 provincial championships), a non-conference record of 98-15, and a playoff record of 49-0. 6 times they were named the City of Red Deer Team of the Year. Twenty three Kings were named to their respective CCAA Championship All-Star team, 5 Kings were named as CCAA Championship MVP's (Gavin Schmidt, Joey Martins, Dallas Soonias, Brock Davidiuk, and Nicholas Cundy), and head coach Keith Hansen was named the CCAA coach of the year twice. The CCAA Male Athlete of the Year honors went to a Kings volleyball player four times in eight years; Nicholas Cundy in 2002, Brock Davidiuk in 2003, and Joey Martins in both 2005 and 2006; Making Joey the first ever repeat recipient.

The RDC Kings volleyball program not only holds the record for the most consecutive CCAA championships, they also hold the overall record for the most championship titles won by a single team with 10. The contributions of this special group of Kings Volleyball players are still being felt today as five members from the 1999-2007 teams are currently representing Canada on the National team. In fact, at one point the national team could have started an all RDC alumni squad with Brock Davidiuk setting, Dallas Soonias on Right side, Gavin Schmitt and Murray Grapentine in the middle and Nicholas Cundy and Mark Dodds at power.

Over the eight years of eight National titles not a single one was won in Red Deer and many times the team acted as spoiler beating the home town team in front of their fans. A feat this impressive could not be completed without some incredible coaching. Keith Hansen, a 2008 Alberta Volleyball Hall of Fame inductee, coached 7 of the eight championship winning teams while Richard Schick coached one.

Congratulations to the Red Deer College Kings. Your accomplishments have clearly earned you a well deserve spot in the Alberta Volleyball Hall of Fame.
