2022-2023 Season

Volleyball Alberta requires Players, Coaches, Referees, and Club Staff to become members prior to registering for any of our programs and events and must have a valid email address to complete the online registration process.

The participant fee structure for the 2022/23 season was approved by the Volleyball Alberta Board of Directors on July 1st, 2022. Fee changes will take effect for the membership year starting September 1st, 2022.

Memberships are valid from September 1 until August 31 of each year. Our Membership Fees & Benefits are assessed on an annual basis. Membership fees include a Volleyball Alberta and Volleyball Canada component.

Please note: Participants upgrading their membership and adding multiple roles pay for the more expensive role at a differential rate (upgradable membership type).

Example: A member is registered as a Development Player for tryouts (\$xx.xx fee) and upgrades to a Competitive Player – Youth Indoor 13U role upon selection (\$yy.yy fee). The member pays a differential fee of \$zz.zz to upgrade their membership (\$yy.yy - \$xx.xx = \$zz.zz). Already paid fees will discount.

SAAS: software as a service

Annual SAAS Fee: \$1 per member. The per member SAAS fee is to be directly charged to the member at the time of purchase of the first qualifying membership for each unique individual, once per season.

Service Fee (Sportlomo + Stripe Pay): Sportlomo will directly charge the 3.1% + \$0.50 per transaction fee to the member at the time of purchase, and is non-refundable.
