General Information

Returning Clubs, please note that on July 31st your Club Portal status will change from ACTIVE to AWAITING APPROVAL. This will temporarily deactivate your Club Portal Administrators login access. To regain access, complete the annual "[Club Approval Application Form](#)". Once approved, your status will become ACTIVE for the season and your login access restored.

Once your Club Portal login has been activated for the season, please follow the steps below.

1. Profile Information

At this step, you should be signed into your club portal [Home page]. In the list of menu options, go to:

- **Club Details > [Edit Profile](#), enter/edit all required (bold) fields, save.**

Details entered on this page directly links to the VA Club Locator powered by Sportlomo to assist member to register directly to your club, and to find links to your website and contact information to search/contact you directly for information on your club, teams, and programs. Please keep this up to date.

2. Begin Selling

www.volleyballalberta.ca

- **Setup Begin Selling: Go to > Home: Membership Setup > Begin Selling**

Volleyball Alberta has already published its memberships to your club portal. No additional action is required from you at this step. Simply verify that the memberships that you require for your members are listed & active.

Payment methods: Accept Payments

There are no additional steps for club administrators to do re: payment methods for this season.

Payment integration at the club portal level is disabled.

Your club portal has been set up with a Stripe Split Pay CAD account to allow a 2-way-payment-split to Volleyball Alberta and Volleyball Canada (to be used only for VA/VC membership purchases via your club portal).

Volleyball Alberta / Volleyball Canada may consider enabling club level payment integration for future seasons (3-way-payment-split to: Club, VA, VC). For this season, clubs will need accept payments for tryouts, team fees, events/club hosted tournament, etc. outside of Sportlomo.

Volleyball Alberta has determined that we are not ready to accept club level payment integrations as we still need to do additional testing.

Payment methods: Make Payments

Clubs will need a valid credit card to make payments on an event registration. Credit Card information will not be stored in your club portal. Sportlomo accepts all major credit cards: visa, master card, AMEX.

Service Fee (Sportlomo + Stripe Pay): Sportlomo will directly charge the 3.1% + \$0.50 per transaction fee to the member at the time of purchase. This service fee is non-refundable.

3. Club Portal Admin Access

Manage Admin Access

Club Presidents will be able to add/remove additional admins to their club portal if sharing team registration responsibilities with Team Managers or Coaches.

5. Create Roster Sheets and register into an event

www.volleyballalberta.ca

- **Create your Roster Sheets (Official Team Roster) and register into Premiers, Provincials, Nationals**

From your club portal login > Home > Members/Team Sheets > [Roster Sheets](#)

Please follow the “2025 Volleyball Alberta Premiers & Provincials Registration Guide” document that is scheduled to be posted on our website September 3rd along with the schedule, important dates and season planner.

6. Roster Edit

After registering a team into an event, you will need to complete your roster and verify that it is final by the roster lock date indicated in the Volleyball Alberta Premiers & Provincials Schedule. Volleyball Alberta will print official rosters for the head coach to pick-up at coach check-in on the first morning of the event. Only the Coaches & Players listed on the official roster will be allowed on the bench.

7. Member Registration

Please direct your members to <https://volleyballalberta.sportlomo.com/> and Register To Your Club. When a member registers this way, they will become ACTIVE members in your Club, VA & VC portals.

Otherwise, they register to Volleyball Alberta in the [[Member Registration Portal for Volleyball Alberta Membership](#)] and then DUAL their membership to add their profile, waivers, membership and screening disclosure form* in your club portal in an ACTIVE status so that you may add them to [Roster Sheets](#) (Official Team Rosters).

*Screening Disclosure Form for Leader categories only.

8. Person in Authority Check steps include:

- ❖ Members > View Members > (i) to open profile > [Qualifications](#) & [Member Signed Acceptances](#)

And/or • Accreditation > [Member Qualifications](#) (to view credential statuses only)

All leaders are required to complete 3 minimum mandatory Person in Authority Checks (PIA’s). These MUST be completed PRIOR to working with Clubs, Volleyball Alberta and Volleyball Canada. Each Club’s Screening Designate must verify their PIA personnel by going to the following sites to view the full results:

1. **CRC: Criminal Record Check**, go to: [Login to your myBackCheck account](#)
2. **SST: Safe Sport Training**, go to: [Coach Transcript Search](#), search with NCCP# & Last Name.
3. **SDF: Membership & Screening Disclosure Form**, verified & approved by Volleyball Alberta in Sportlomo. Clubs can view Qualification/Credential statuses for leaders in their club portal as outlined above.

If your club is not listed in the list of location on Sterling myBackCheck, or you do not have a myBackCheck.com login for your club, please email Julie at info@volleyballalberta.ca.
