

## Member Registration – New For 2025 Summary

2024-2025 season

The VRS-Sportlomo will open for VA's 2024-2025 season on August 1<sup>st</sup> at 9:00 am.

**NEW For 2025:** Participants must visit <https://sportconsent.ca/login> to review a 15min video and sign the Abuse-Free Sport Participant Consent Form. Members will need to confirm completion at time of membership registration as part of their member signed acceptances (waivers).

**NEW For 2025:** This fall, to comply with Volleyball Canada competition regulations, we can only approve PIAs whose backchecks are valid through June 30. This is to reduce the number of leaders needing to be re-checked in-season and prior to Provincials and Nationals. This means if a member's CRC is expiring between August 1<sup>st</sup>, 2024 and June 30th 2025 they must start a new check now to receive membership approval and activation for the 2024/25 season.

**NEW For 2025:** Returning Clubs, please note that on July 31st your Club Portal status will change from ACTIVE to AWAITING APPROVAL. This will temporarily deactivate your Club Portal Administrators login access. To regain access, complete the annual "[Club Approval Application Form](#)". Once approved, your status will become ACTIVE for the season and your login access restored.

**NEW For 2025:** All returning clubs must register by August 23. New clubs wanting to participate in the 2024/25 season must complete the Club Approval Form by September 30.

**NEW For 2025:** VA added a question on the club approval form asking clubs to "List the number of teams your club intends to register for VA's 2025 Premiers & Provincials". This is to help VA plan the schedule.
