

## **Club Tournament Travel Information & Recommendations**

### **August 2025**

We are pleased to announce that Volleyball Alberta and CanAccom Group Travel, a small, Alberta-based company have partnered to provide booking assistance to all teams attending Alberta Volleyball events for the upcoming season and beyond.

In preparation for the upcoming season, CanAccom has been working hard on behalf of Alberta's volleyball teams to secure hotel blocks for all locations, at very competitive rates, and at NO ADDITIONAL COST to teams. The CanAccom Group Travel Team prides themselves on providing their teams with a personal, "white glove service" approach and they look forward to demonstrating the benefit of their services to all VA teams for the upcoming season.

Teams are encouraged to contact CanAccom Group Travel prior to October 1, 2025 to secure rooms for your upcoming trips. If you have responded to our recent survey, you can expect CanAccom to reach out to you in the coming weeks to gather more information. It is important to sign up in advance to enable an accurate estimate of the number of rooms required for each weekend, thereby helping obtain the best locations and rates for our teams.

Stay tuned for more information!
