Safe Sport & Abuse Free Sport

Volleyball Alberta is dedicated to creating a safe and welcoming sport environment and recognizes a systemic culture shift is required to eliminate maltreatment, including sexual, emotional, physical abuse, neglect, harassment, bullying, exploitation and discrimination. Volleyball Alberta believes the welfare and safety of everyone involved in the sport is a critical focus and the responsibility of each individual, member, club and provider in the volleyball community. Volleyball Alberta has zero tolerance for any type of harassment or abuse. Athletes, officials, coaches, administrators, and parents are encouraged to report any instances of harassment and abuse in a way they feel safe.

Creating a culture where everyone can thrive is a shared responsibility. Whether you have direct contact with athletes or work in the background, Safe Sport Training promotes physical, psychological, and social health, and meets Sport Canada requirements for Safe Sport education. The safe sport module is a FREE, 90- minute eLearning module that gives all participants the tools to recognize, address, and prevent maltreatment in sport.

Please note that a current [Respect in Sport Group's Activity Leader](#) certificate is a recognized equivalent and meets the Safe Sport training requirements should you already have it.

New for 2026: Changes to Safe Sport Reporting

As part of our ongoing efforts to improve our safe sport protocols, we'd like to inform you of some important updates: effective immediately, the Canadian Sport Helpline and the Abuse-Free Sport Helpline are no longer available. However, Volleyball Alberta is proud to announce that we've partnered with ALIAS Solutions Inc. to offer an independent safe sport reporting service.

This new platform will allow individuals to report improper conduct confidentially via both the web and phone, ensuring that all safe sport (maltreatment) reports are managed by ALIAS's independent third-party case management team.

This partnership strengthens our commitment to creating a safe, inclusive, and transparent environment for all Volleyball Alberta members.

Volleyball Alberta strives to offer a safe and enjoyable environment for all event participants and spectators. If any players, team staff members, staff, referees or spectators feel unsafe or have witnessed a behavior that may be inappropriate, they are strongly encouraged to approach a VA Representative that is on-site.

Safe Sport Complaint Process Overview

ALIAS follows the framework of Volleyball Alberta's Discipline & Complaints Policy (located [here](#)). There are 2 ways to report a complaint:

- Visit: [ALIAS' "Report A Complaint" link](#)
- Call: 1-833-834-1029

Once an individual submits a report, the ALIAS' team receives the report and determines the steps to resolution based on Volleyball Alberta [Policies](#). ALIAS manages the case and involves external parties when needed. Cases are handled with the utmost confidentiality and compassion.

Rule of Two

[Open, observable, and justifiable interactions and communications](#) are strongly recommended to foster safety, enhance protection, and help reduce vulnerability of both the athlete and adult(s) in a position of trust. Commonly referred to as the [Rule of Two](#), it means that there will always be two screened and safety-trained adults with a participant, especially a minor athlete, when in a potentially vulnerable situation. Applying the Rule of Two is a measure that helps mitigate opportunities for maltreatment and abuse to occur.

OPEN AND OBSERVABLE ENVIRONMENTS: RULE OF TWO

RULE OF

2

WHAT IS IT?

RULE OF TWO states that there will always be two screened and safety-trained adults with a participant, especially a minor athlete, when in a potentially vulnerable situation.

WHAT ARE OPEN AND OBSERVABLE ENVIRONMENTS?

Open and observable spaces involve making meaningful and concerted efforts to avoid situations where a person of authority: coach, official, staff member, etc., might be alone with an athlete and/or vulnerable individual.

- 
Not closed or concealed from others
- 
No closed doors or secluded locations
- 
Others should be aware the interaction is taking place
- 
Others can see, observe or take note of the interaction

Volleyball Canada (VC) endorses the Coaching Association of Canada's Responsible Coaching Movement and all participants of VC events, activities, and meetings are encouraged to adhere to these best practice guidelines.

2026 Volleyball Alberta Indoor Tournament Schedule

The most up to date version of the Premier & Provincial Tournament schedule (with entry deadlines, roster locks, etc.), can be found on our website at: www.volleyballalberta.ca/club_general_info

Tournament Registration & Fees

- **Registration for all Premiers and Provincials opens on October 15, 2025, 9:00am MT**
- 2026, the Volleyball Alberta Indoor Tournament Entry Fee for TWO-DAY VA Premiers and Provincials is **\$871.50/entry** (\$830.00 + GST \$41.50) plus applicable membership requirements and service fees.
2026, the Volleyball Alberta Indoor Tournament Entry Fee for ONE-DAY VA Premiers (applicable to 12U only) is **\$551.25/entry** (\$525.00 + GST \$26.25) plus applicable membership requirements and service fees.
- Volleyball Alberta will accept all teams meeting the rostering requirements and registration deadline and will do its best to find courts for all to play. In extraordinary circumstances, if Volleyball Alberta is not able to facilitate all registered teams the team's main contacts will be contacted by the Age Class Manager.
- A Club Director/Contact must [register the club](http://www.volleyballalberta.ca/register-the-club) prior to a Team Contact registering the team roster (players). A Club Director/Contact can also register as a Team Contact. The VA registrar must be notified in writing info@volleyballalberta.ca if there is a change of Club Director/Contact.
- Teams/Clubs must register before the tournament deadline to be included in the draw for that event. Draws will be posted online only and it's the coach or team contacts responsibility to ensure they have the up-to-date tournament schedule
- **Team Main Contact Information** is required at the time of tournament registration: It is important that those doing the registration enter the team's **Team Main Contact** information in the "**purchaser contact info**" section of the registration. This is the only email Age Class Managers receive in their event team downloads. Last season, many Presidents/Registrars entered their email in this section – which meant they received ALL team emails, for each tournament. To be most efficient, tournament communications should go directly to a coach or team staff for the team registering in the event.
- Teams should register in the **most appropriate age class for their development level**. Team composition should be primarily of athletes within the same age class (consult Volleyball Alberta's Director of Competitions & Operations for further information). Teams can only select one age class to compete in. Once an age class has been selected, teams must compete in the same age class for the entire season (including Nationals) except for 12U teams (see 12U competition regulations for details).
- **Late Entries:** Volleyball Alberta will consider late entries into a tournament at the sole discretion of the Manager for that age class. Managers will consider the impact of adding a team to the draw using factors such as facility space, timing of the request, and other tournament logistics. If a late entry request is granted, a \$100 late fee will be charged in addition to the entry fee. There are no guarantees that Late Entries will be accepted!
- **Refund & Cancellation Policy:**
 - If withdrawing before the registration deadline, a refund of the tournament fee, less a \$35 administrative fee, will be issued.
 - If withdrawing after the registration deadline, no refunds will be issued, and a \$100 late fee will be charged for the tournament withdrawal.

- See our [Inclement Weather Guidelines](#) refund information in case of extreme weather, road closures, and/or facility access closures.
- For more information and FAQ, see [Volleyball Alberta's Refund Policy](#)

Tournament Rosters

- **Tournament Roster Lock Deadlines:** Review the tournament schedule on the [Club General Info page](#) for each tournament's roster lock deadline.
 - **New For 2026:** The roster lock deadline will be Thursday at 9am, 9 days prior to each tournament.
- **Season Roster Lock Deadline:** The season roster lock is the Premier #2 roster lock deadline for each age class. Team staff and/or athletes can move between team rosters in their club for Premier #1 and Premier #2. Following Premier #2 an athlete can only be listed on one roster in the same age class for the remainder of the season. Please see the tournament schedule on the [Club General Info page](#) for full details.
- **Roster management:** Volleyball Alberta recommends that athletes may fill a roster spot as needed (provided they are age eligible), OR team staff who will be present for any tournaments are added to team rosters as early as possible in the season. These additions must be done before the roster lock date and season roster lock deadline.
- **New for 2026: Roster Addition Requests:** Changes made to official Volleyball Alberta rosters after the roster lock deadlines will only be considered under exceptional circumstances. All changes requested before **11:59pm the Thursday** prior to the tournament are subject to a \$25 fee and must be submitted via the [Late Roster Addition Form](#). After **11:59pm the Thursday** prior to the tournament OR after the season roster lock, the fee increases to \$50, and requests must be submitted via email to the Age Class Manager.
- Head Coaches will pick up and verify Official Rosters from Venue Coordinators prior to their first match on the first competition day. Official Rosters must be presented to the **referee** before every match. Only athletes & team staff who appear on the Official Roster and meet screening/training requirements will be allowed to compete and be on the bench.
- **For 12U – 14U age class teams**, a maximum of 12 players can be on the score sheet, in uniform, and participate in any given match. Teams may have a maximum of 15 players on the roster, participate in warm-up, and sit on the bench.
 - **12U–15U age class teams** that have **more than twelve players** at a tournament must submit the [Extended Roster Development Plan form](#).
- **For 15U – 18U age class teams**, a maximum of 15 players can be on the score sheet, in uniform, participate in the warm-up, sit on the bench, and participate in any given match.
 - Note: 15U teams must still align with the Developmental Substitution Rule.

Club Volleyball Eligibility, Signing Policy & Tryouts

Signing Policy & Tryouts

Please review [2026 Indoor Signing & Tryout Process](#) for full details on LOI and tryout policies, as well as rationale and FAQ's.

- The 2025-2026 Indoor Club Season starts November 30, 2025, and ends May 31, 2026.
- Volleyball Alberta strongly recommends: Clubs are encouraged to refer to athlete development principles and be very deliberate with any indoor volleyball programming offered during the summer and fall. School volleyball places large demands on athletes and additional training places athletes in a position to develop overuse injuries and burnout.
- Volleyball Alberta Re-Signing LOI Form or LOI Signing Form are the ONLY binding contracts recognized by Volleyball Alberta.
- Coaches and teams should understand the 13U-15U Developmental Substitution Rules prior to selecting their teams. See 13U-15U Competition Regulations for more information.

Team Eligibility for Club Volleyball

- A team must be composed of at least 8 players up to a maximum of 15 players. A minimum of 6 players must be present in uniform during the competition to be eligible to participate.
- Volleyball Alberta tournaments are only for fully registered Alberta club teams and may utilize only registered VA members of that club. Exceptions to this rule will be reviewed on a case-by-case basis following a written application to Volleyball Alberta.
 - **Note:** Teams from Nunavut, Northwest Territories and Yukon may be approved to compete in Premier Events and Provincials. However, they will not be permitted to win the Provincials banner (they may be awarded the Gold Medal). Interested teams will be subject to a \$100 Affiliation fee per tournament and are asked to request permission to enter events **as soon as possible prior to the tournament registration deadline** by contacting the appropriate age class manager. If tournaments are overcapacity, permission to register for an event may not be granted.
- Any individual, team and/or club having outstanding debts with Volleyball Alberta at the end of their competitive season will be deemed not in good standing and will be ineligible for all VA programs, until such debts are paid.

Athlete Eligibility for Club Volleyball

- All participants must become members of Volleyball Alberta, with the Youth Development Player – Tryout membership, prior to participating in club tryouts.
- Upon signing a LOI to a team that will participate in club hosted tournaments, Premiers, Provincials, or Nationals, athletes must upgrade their membership to the Youth Competitive Player – Indoor and added to their club's Sportlomo portal for the season.
- The minimum age for athletes on the roster is 9 years of age (born no later than 2016).
- The [2026 Age Categories](#) document outlines this seasons' competition categories, exemption request instructions, and the [18U Overage Athlete Exemption form](#).
- Athletes cannot play on more than one team in the same tournament weekend.
- Athletes can often play up one age category without many challenges or limitations. However, thought and

discussion should occur between the club, athlete, and family to determine the best environment for the athlete. There can be significant disparity if an athlete plays up two age categories, and clubs should review the [Playing Up in Age Categories](#) document prior to making a final decision.

- Athletes playing in their current age class are able to play in another age class within the same club (provided they are age eligible); athletes would need to be registered on both rosters by the roster lock date to be eligible for Provincials. Volleyball Alberta recognizes the benefits for some athletes to play up at a higher level of competition, but recommends the club and coaches read about [Long Term Development](#) and carefully plan their season to avoid athlete burnout and injury while meeting the appropriate Training to Competition ratios.
- **New for 2026:** Volleyball Alberta has a [Fairness and Safety in Sport Policy](#), the purpose of this Policy is to address matters of eligibility to participate in an amateur competitive sport, as required by the Government of Alberta's Fairness and Safety in Sport Act, SA 2024, c F-2.5.

Coach & Persons in Authority Eligibility for Club Volleyball

- All clubs, coaches, and club staff must become members of Volleyball Alberta prior to participating in club tryouts or training.
- [Person in Authority Checks](#) must be completed by club and team personnel prior to participating in their role. Club Directors, Screening Designates, and Team Staff are responsible for ensuring they complete these requirements to adhere to the [Pan Canadian Screening Process & Policy](#).
- All leaders on team rosters must meet the Mandatory Requirements. Please review the [Volleyball Alberta Coaching Requirements](#) for full details and deadlines.
- Rostered Team Staff must select their team role at the time of rostering.
- [Volleyball Canada 2026 Coaching Requirements](#) for Youth National Championships have been updated. Please review the requirements carefully if your team will be attending Nationals.
- All teams must have a designated head coach for the season who meets the mandatory head coach requirements. A head coach may not head coach more than one team in the same tournament weekend. The same individual may be designated as an assistant coach, manager, or trainer for additional teams in the same tournament weekend.
- A maximum of four team staff are permitted on the roster and allowed to sit on the bench. One of these team staff must be the head coach. A rostered team staff may act as the head coach in case of unexpected absence.
- The minimum age for team staff on the roster is 11 years of age.

Coaches with Infants/Children

- Team personnel who are parents of an infant (under the age of 2) will be supported by Volleyball Alberta in having the infant on the bench during matches. The infant must be appropriately secured in a hands-free baby carrier or in a stroller directly behind the bench. **The team must notify the age class manager prior to the event to ensure that competition staff are aware.** The team/coach may also be asked to complete a Risk Acknowledgement form.
- Team personnel who are the parent/caregiver to any young children may leave the bench to attend to them during the match provided the referee is notified before they leave. If the parent is the Head Coach, an

Assistant Coach can temporarily act as head coach during this time.

Uniforms

- Each registered team shall be dressed for competition as per the Volleyball Canada rulebook. The updated guidelines and Uniform Approval Request form will be available on [Volleyball Canada's Policy](#) page, under Competition Related Policies.
- **Clubs are highly recommended to Request Uniform Approval from Volleyball Canada PRIOR to ordering uniforms by submitting design proofs.** Once approval is granted, clubs would be sheltered from any potential costs associated with bringing uniforms up to standard during the club season.

Restricted Activities

- Personal lunches and snacks that are contained within sports bags will be the only food allowed in any of the venues. **No coolers, large containers, appliances, or food preparation.**
- Music may only be played for personal use with headphones during our events. Our venues are family friendly, and the content of music may be inappropriate or distracting to our members and other patrons.
- Noisemakers of any kind are not permitted at Volleyball Alberta events for any reason.
- Food is not permitted in gymnasiums at any venues.
- Running and warm-up activities are not permitted in stairwells, hallways, off-limit areas, or other inappropriate areas of a facility or school. Use of other activity spaces in multi-sport facilities (arenas, fields, rooms, closed off areas, private rooms, etc) is not permitted unless the team has pre-arranged a private rental with the facility. Balls may only be used outdoors, on match courts, or on warm-up courts if specified on the draw.
- Volleyball Alberta reserves the right to control all merchandise and services for sale during Volleyball Alberta Premier tournaments and Provincials. Food and beverage concessions are also under the control of Volleyball Alberta in facilities that do not offer these services as part of their facility offerings. **Requests of any kind to sell, advertise, or promote any products, services, or organizations must be made in writing 30 days prior to the event.** All requests may be directed to info@volleyballalberta.ca.

Video Cameras

- Video cameras in the warm-up area are not permitted (for athletes, parents, or spectators).
- If handheld, a video camera may be operated by a team member sitting on the bench.
- Attaching video cameras to the post, scorer table, referee stand, etc. will not be allowed.
- If there is a vacant court next to the playing court that is not being utilized as a designated warm-up court or competition court for the event, cameras and tripods may be set-up in that space provided:
 - There is no infringement on the participants of the playing court,
 - Cameras and spectators are not encroaching on the team bench, warm-up area, scorer's table, referee location, etc.
 - For facilities with 5+ meters of space behind the service zone (Genesis Centre in Calgary), cameras will be permitted on the playing surface behind the court, provided they are against the facility wall.
- **Remote Controlled Devices:** Any remote-controlled devices (drones, remote controlled cars) are not allowed at Volleyball Alberta events or in venues.
- **New for 2026:** To support teams using Ball-Time or other video analysis platforms; One camera will be allowed at the end of a team's warm-up area, provided it is: owned by the team, not staffed during the match, and not behind the endline (when there is less than 5 meters of space). The Head Coach must ensure no other cameras

or individuals (not on the official roster) are in the warm-up area.

Refuse & Responsibility Policy

- All bottles, garbage, and personal items must be removed from the team bench after each game. It is the coach's responsibility to ensure this is completed after every match. Repeat offenders will not be permitted to participate in future Volleyball Alberta tournaments.
- Appropriate disposal of bottles or garbage and general cleanliness is expected in all areas of a facility, non-compliance is subject to a \$50 fine for each offense.

Zero Tolerance Policy

A [Zero Tolerance Policy](#) was put in place at Volleyball Alberta Premier Tournaments and Provincials as of February 11, 2022. It acts to maintain a safe and positive environment that is appropriate for youth sport.

Late Fees and Fines

Please review the [Late Fees and Fines](#) for 2026. Fines may be applicable for violations of:

- Signing Policy
- Code of Conduct
- Coach Eligibility Requirements
- Competition Regulations
- Roster Policies
- Registration Policies

Tie-Breaking Procedures

- **Two-way Tie:**
 - “Head-to-Head”: The team who won the match played between the tied teams will be ranked higher.
- **Three-way (or more) Tie:**
 - The results from all teams involved in the tie are used for the process until all rankings are determined.
 - If there is a tie among teams X, Y and Z and criteria “b” can determine X as first, Y as second and Z as third, then no further criteria are to be used. The tie is broken.
 - However, if criteria “b” determines the seeding/ranking of any of the tied teams, then the remaining teams, which are still tied, will use criteria “c” and so on to determine their seeding/ranking. Do not start at “a” again. Continue through the sequence of criteria using the results of teams X, Y and Z for criteria “d”.

Criteria

- a) **Matches won/lost between the Tied Teams:** The team having the best **ratio**¹ of won/lost matches will be ranked higher;
- b) **Sets won/lost between the Tied Teams:** The team having the best ratio¹ of won/lost sets will be ranked higher;
- c) **Sets won/lost considering all matches played:** The team having the best ratio¹ of won/lost sets will be ranked higher;
- d) **Points for/against between all the originally Tied Teams:** The team having the best ratio² of points for/against will be ranked higher;
- e) **Points for/against considering all matches played:** The team having the best ratio² of points, for/against will be ranked higher;
- f) As determined by the Organizing Committee (e.g., extra set, toss of coin, etc.).

¹ A Ratio is calculated as follows: Team A is $3/2 = 1.5$, Team B is $2/2 = 1.0$. Therefore, Team A is ranked higher.

² A Ratio is calculated as follows: Team A is $160/137 = 1.17$, Team B is $135/125 = 1.08$. Therefore, Team A is ranked higher.

Note: A plus/minus is **NOT** equivalent to a Ratio and should not be used.

Pool Play with 3 Teams: If a match has ended due to a time limit, only completed sets will be used for tie breaking procedures.

Volleyball Alberta Protest Policy

A captain may only lodge a protest in the following circumstances (otherwise it is not a valid protest): an error in applying a rule or rule interpretation, an improper decision of the Scorer who made a mistake on the rotational order or on the score.

- The captain lodges the protest to the First Referee.
- The coach of the team lodging the protest must place a \$100.00 cash bond (or a signed cheque payable to Volleyball Alberta) on the score table as the captain lodges the protest (if the money is not on the table immediately the game will resume, and the protest will not be heard).
- Protests must be lodged immediately and will not be accepted once the next serve has been authorized after the disputed point.
- The first referee will confirm with the Scorer that a protest has been lodged, and that the money is on the score table before calling the Tournament Staff.
- The Tournament Staff will collect the \$100.00 bond upon arrival at the court.
- The on-call Volleyball Alberta Competition Manager will determine whether or not the request to protest is valid (they may choose to consult with the Referee Supervisor).
- If the protest is not valid or not upheld, the \$100.00 bond will be forfeited in whole, and the match will resume.
- If the protest is valid, a jury will be assembled to accept or refuse the protest prior to the resumption of play. The bond will only be returned if the protest is upheld.

Competition Regulations

The objective of the regulations is to ensure equitable treatment of all Volleyball Alberta (VA) members in competitions. Even though regulations are in place to govern competitions, every situation and circumstance cannot be foreseen. Volleyball Alberta may need to adjust and make changes during the season if new circumstances arise.

The rules listed in the current edition of the [Volleyball Canada Rule Book](#) are in effect unless otherwise specified under the Volleyball Alberta Competition Regulations. It is the duty and responsibility of all players and coaches to know the rules of the game and abide by them.

Match Protocol

- Teams are guaranteed a minimum of five (5) matches for two-day tournaments.
- A First Referee will be used for all matches.
- Each team must provide a volunteer scorekeeper. Scorekeeping resources and instructions are available on the [Club General Info page](#), under "Scoresheet Resources".
- For a match in which a team is participating, they will be responsible for the provision of one (1) Line Judge.
 - This individual must be a team player not registered as a starting member of the line-up,
 - This individual must be a team player not registered as the acting Libero (if applicable),
 - If a team does not have enough athletes to provide a Line Judge, the referee shall:
 - Inquire to the opposition coach if they are willing to provide two (2) athletes to act as Line Judges.
 - Inquire to the opposition coach if they would prefer the match to commence with no Line Judges and the sole discretion of the First Referee.
- Volleyball Alberta recognizes that concussions are a significant public health issue and have developed our [Concussion Protocol](#). Of specific note are the expectations surrounding the team warm-up process to help prevent concussions. Volleyball Alberta has prepared a video with options for the [hitting warm-up](#).
- The timing of the [official warm-up protocol](#) will be a 2–4–4 model.
 - 2 minutes of shared court time for ball warm-up (E.g., dig-set, setter warm-up, etc.). Note: Shared court time will start when the court is available to both teams
 - 4 minutes official warm-up at the net – Serving Team
 - 4 minutes official warm-up at the net – Receiving Team

Be reminded that opposing teams are not permitted to use volleyballs in the free zone during the other teams allocated court time, this is an added component to help prevent concussions.

- Uniforms are encouraged to be worn for the official warm-up. This allows the referee to accurately complete responsibilities prior to the start of the match and facilitates timely roster verification by referees.
- We recommend that teams use discretion when changing from warm-up shirts to uniforms in ALL Volleyball Alberta Premier tournaments and Provincials.
- Teams will resume switching sides between sets.
- Volleyball Alberta will utilize the following "End of Match Protocol":
 - After the match, teams must immediately go to their respective three-metre line, applaud for the other team & official(s) PRIOR to moving off court for team meetings/debriefs. Teams will not greet one another before or after the match nor will they shake the referee(s) hand post-match. Teams will acknowledge the opposition and referee(s) by facing them and clapping prior to leaving the court.

- The intent of a handshake protocol is to congratulate and recognize the efforts of both teams and the referees while promoting good sportsmanship. VA's end of match protocol still achieves this goal, below is the rationale for why it's been modified from the traditional handshake:
 - a) A good portion of the club volleyball season is played during the height of cold/flu season, and this is one small way to help prevent the spread of germs and viruses. This will promote participation, keeping athletes, coaches, and referees healthy and active by limiting absenteeism during the season.
 - b) Emotions can get high on occasion during the intensity of a match, removing face-to-face interactions immediately after the match will prevent the potential for inappropriate conduct.
 - c) Teams for the next match are extremely eager to take over benches and begin their warm-up and this protocol speeds up the transition to help facilitate the start of the next match. This was tracked and decreases the transition time by an average of over three minutes/match. This helps keep courts on time and reduces later starts for teams playing the last match of the day.
 - d) We understand some individuals may want to personally praise their peers on opposing teams; they are still able to do that after both teams have cleared their benches at the conclusion of their match. We encourage referees to provide friendly reminders to teams of this protocol, remarks can be documented on the scoresheet if required.

If the age class has 23 teams or less, a regular [Serpentine Draw format](#) will be used (no Black/Blue playoffs)

The goal of the pilot is to determine if an earlier introduction of the position enhances athlete development, supports broader alignment with long-term athlete development, and improves quality of play. Findings will inform a future decision on whether to expand Libero use provincially and nationally in this age group.
 - The 15U age-class will have the option to use a Libero (NOT MANDATORY) for Premier #1 and Premier #2. Premier #3 and Provincials WILL NOT utilize a Libero to align with the format used at Nationals.

- Statistical data will be requested from teams using Balltime to support the project evaluation. Surveys from athletes, coaches, parents, and game statistics between both phases (with Libero and without), will be reviewed to compare and assess the pilot. A future recommendation will be communicated by the summer of 2026.
- **New for 2026:** For **Premier #1 and Premier #2**, the use of only 1 libero is permitted, and 6 limited substitutions will be used (boys & girls). However, the following **Developmental Substitution** rules will apply:
 - All players listed on the score sheet must start the first or second set.
 - In the first two sets no substitutions may take place before one team has scored 15 points. An athlete may be substituted out of a set due to injury. In the case of injury, an Exceptional Substitution may be made. The injured/ill player may not return to the same set but may return to play in subsequent sets if it complies with the first Developmental Substitution rule.
 - If a third set is necessary, any line up can be used.
 - Note: Coaches that do not roster athletes on the score sheet or misrepresent an athlete's playing status to avoid compliance with the Developmental Substitution rule will be subject to sanctions. Injured athletes must be noted in the remarks area prior to the coach signing the score sheet. Sanctions may include verbal warning, match forfeiture, written warning, up to \$100 fine per match, and/or submission to Volleyball Alberta Discipline and Complaints.
- **New for 2026:** For **Premier #3 and Provincials** – no libero will be permitted, and 12 limited substitutions will be used. The same Developmental Substitution rules will apply.

Note: The Developmental Substitution rules do not apply at Nationals.
- Registered teams can compete in three Premier events followed by Provincials. 15U teams are not eligible to participate in VA 16U, 17U and/or 18U events.
- The 15U age class is permitted to receive serve with an overhand motion using the fingers.
- The Mikasa VQ200W will be the [official competition ball](#).
- Teams are strongly encouraged to use offensive systems that utilize multiple setters (not 5-1 systems). 5-1 systems do not train enough setters, and we need to ensure clubs and coaches address this gap in our system.
- Net heights for 15U: Girls - 2.20 m, Boys - 2.35 m.

16U Competition Rules

The following rules also apply for the 16U Age Class:

- Registered teams can compete in three Premier events followed by Provincials. 16U teams are not eligible to participate in VA 17U and/or 18U events.
- Use of only 1 libero is permitted, and 6 limited substitutions will be used (boys & girls).
- Teams are strongly encouraged to continue to use Developmental Substitution principles for the entire season as it is important for all athletes in the age class to get an opportunity to apply their skills and tactics in a competition environment.
- Teams are strongly encouraged to use offensive systems that train multiple setters in these age classes (not 5-1 systems). 5-1 systems do not train enough setters, and we need to ensure clubs and coaches address this gap in our system.
- The 16U age class is permitted to receive serve with an overhand motion using the fingers.
- The Mikasa VQ200W will be the [official competition ball](#).
- Net heights for 16U: Girls - 2.24 m, Boys - 2.35 m.

17U & 18U Competition Rules

The following rules also apply for the 17U/18U Age Class:

- Use of only 1 libero is permitted, and 6 limited substitutions will be used.
- The Mikasa V200W will be the [official competition ball](#).
- Net heights for 17/18U: Women - 2.24 m, Men - 2.43 m.
- **Team Alberta or Team Canada Program Exemptions:** Teams missing a notable number of players, or don't have enough players to field a team for a Premier due to a Volleyball Alberta (i.e. Arctic Winter Games) or Volleyball Canada event may apply for an exemption to jplakas@volleyballalberta.ca. If a team is granted an exemption, the team will not participate in that Premier and will maintain their ranking for the next tournament.

- If the exemption is granted and Premier #1 is the impacted event, the team's initial Premier #1 seeding will be used as their general ranking to maintain a position in that respective division for Premier #2. Premier #1 seeding is based on the results from the previous year's Provincials (one year younger) and any adjustments made by the age class seeding committee based on team mergers, current rosters, and preseason tournament results. Teams that participated in Premier #1 and received a ranking for Premier #2, will not be bumped out of a division due to this exemption.
