

## Club Tournament Accommodation Support

Volleyball Alberta is pleased to partner with **CanAccom Group Travel**, a small, Alberta-based company specializing in group travel and accommodations, to support teams attending Volleyball Alberta events.

This is an optional service with no additional cost and is designed to help clubs and teams simplify the accommodation booking process throughout the season.

### What Teams Need to Know

CanAccom works on behalf of volleyball teams to:

- Secure hotel options across event location
- Negotiate competitive group rates
- Reduce the time and effort required to book accommodations
- Provide personalized, “white-glove” service and support

### Important Update & Next Steps

In **August 2025**, teams were encouraged to contact CanAccom **prior to October 1, 2025** to support early planning and accurate hotel block estimates.

For teams who have not yet reached out, we strongly encourage you to contact CanAccom Group Travel as soon as possible. Early communication continues to be the best way to secure preferred locations and rates, and to ensure CanAccom can support the greatest number of teams across Volleyball Alberta events.

While CanAccom strives to support as many teams as possible, availability may be limited - particularly for **late or last-minute requests**. Teams are still encouraged to reach out, as CanAccom will always do their best to assist.
